

Workshop on Project Proposal Writing

Five days training with a lifetime impact on your career

Background:

Clear, well-planned and crafted proposals get better results. In many ways they also communicate the strengths of the enterprise, not only in the words chosen, but the very structure and organization of the document. Whether you are trying to respond to a business opportunity, communicate progress on an important project or share your ideas with others, the structure, style and expression of your proposal can be a major factor in achieving your goals.

Benefits:

- Enhanced skills in creating clear, concise and high-impact proposals
- More effective use of language and grammatical structure
- Improved success rate in winning approvals with donors and fund providers
- the ability to prepare proposals that more clearly describe the needed information for updating progress, achieving project goals and capitalizing opportunities
- Better results and goal attainment inside and outside the organization

Who should attend?

Anyone who wants to develop or improve their Proposal Writing skills

Course contents:

This course will help you to:

- Identify the value of different types proposals, and explore common problems found with them
